- * The order of entries on the front of the card is prescribed by regulation
- * The Company number that must be shown is the five digit NAIC code assigned to the individual company issuing the policy.
- * The Type of Policy must be indicated. Indicate "PL" for a "personal" policy. Indicate "CL" for a "commercial" policy.
- * The Agency/Company phone number that must be shown is either the local agents number or a toll-free insurer's number.
- * State mandated "Instructions to Policyholder" are included on the back of the card
