

ACORD 50 LA (2018/10) - LOUISIANA AUTO INSURANCE IDENTIFICATION CARD

ACORD 50 LA, Louisiana Auto Insurance Identification Card, was created in response to Louisiana regulations. The main differences between the generic ACORD Automobile Insurance Card, ACORD 50, and the Louisiana card are:

- * The company NAIC number and name and address must be shown on the front of the card.
- * The explanation of penalties for failure to comply with statutes and regulations is revised.
- * A statement is added to the front of the card referencing an authorized insurer who has issued a motor vehicle policy with coverage that meets the minimum liability limits prescribed by law.
- * The back of the form contains an Important Notice, required by regulation, that explains Louisiana compulsory insurance requirements, and the possible penalties for failing to comply.
- * The name, address and telephone number of the insurance agent, and a list of any excluded drivers, must appear on the back of the form.
- * Two cards must be issued to the insured; one to be retained in the insured vehicle, and the second to provide proof of insurance at the time license plates are purchased.
