

ACORD 50 MD (2016/10) - Maryland Motor Vehicle Liability Insurance Identification Card

ACORD 50 MD, Maryland Motor Vehicle Liability Insurance Identification Card, was developed in response to the passage of House Bill 720 / Senate Bill 544, (Chapter 402/401, Acts of 2016). Effective October 1, 2016, § 19-503.1 requires the following information on the Insurance Identification card:

- 1) First Named Insured on the motor vehicle liability insurance policy;
- 2) Vehicle covered under the motor vehicle liability insurance policy; and,
- 3) Period for which coverage under the motor vehicle liability insurance policy is in effect.

The Insurance Administration requires that the Insurance Identification Card be of a size that allows for the text to be easily read. The Insurance Administration will deem compliant any Insurance Identification Card that is at least the size of a Maryland driver's license and contains the required information described above in 10 point font. Since the ACORD Insurance Identification Card meets the criteria outlined above, it need not be submitted to the Insurance Administration for approval.

The new law also allows the insurer to provide an electronic Insurance Identification Card with the insured's consent. Additionally, the law applies to "motor vehicle liability" insurance policies and is applicable to both personal and commercial automobile insurance, with the exception of buses and taxis.

IMPORTANT: Data fields must be 10 point font.
