

## **ACORD 67 MD (2018/07) - Maryland Personal Auto Supplement**

ACORD 67 MD, Maryland Personal Auto Supplement, Mandatory Offer of Increased Liability Coverage of Family Members (New Business) and Notice and Waiver of Personal Injury Protection (PIP) Coverage complies with Maryland law and the Maryland Insurance Administration's Bulletin 10-34 (AMENDED), which replaces Bulletin P/C 04-18-A. It must be provided to all applicants for personal auto insurance.

The form consists of two (2) parts:

Part 1: Offer of Increased Liability Coverage for Claims of Family Members (New Business) \* AND

Part 2: Notice and Waiver of Personal Injury Protection (PIP) Coverage

Part 1 \* does not need to be used by insurers who have modified their policy provisions to provide all family members liability coverage up to the policy limits, or those policies issued at minimum limits.

\* IMPORTANT: A new Maryland Law effective January 1, 2006, allows that parent-child actions arising out of the operation of a motor vehicle may not be restricted by the doctrine of parent-child immunity up to the limits of motor vehicle liability or uninsured motorist coverage. It does not expand coverage for claims of all family members up to the policy limits.

Some insurers' policies may restrict liability coverage for claims made by family members (other than those described in the new law) to the minimum liability limits requires by 17-103 of the Transportation Article. Those insurers need to continue to use the family liability offer in Part 1 of this form in order to comply with 19-504.1 of the Insurance Article.

Parts 2 must be signed and dated whether the insured accepts or rejects them.

The executed original of this form or a reliable image thereof by way of photographic, microprocessed, magnetic, mechanical, electronic, digital or any other media that the company uses to maintain its records of insurance transactions should be kept with the original application.

A copy of this form becomes a part of and must be attached to the policy if one or more parts are waived or requested - unless an endorsement is attached to the policy reflecting the insured's choices.

Use this form with ACORD 90 MD and 95 MD. Note EUIM is required for new policies beginning on July 1, 2018.
